'The Essence of Dandelion Coffee is really an excellent substitute for Coffee, and will, we think, be an advantage to many bilious and dyspeptic patients.'

Extract from 'British Medical Journal.'

'Symington & Co.'s Coffee Essences have a standard reputation, and possess great merit. The Coffee Essence must be prepared in *Vacuo* at a low temperature, as the aroma of the Coffee is well preserved; in its essential qualities it does not differ in any way from a cup of Coffee made in the ordinary way. The Coffee and Milk is extremely convenient for travellers, bachelors, etc., or wherever it may be convenient to have at hand a preparation which requires only the addition of boiling water to make a cup of good Milk-Coffee.'

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year: and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years. By transposing the Dominical Letters, this Calendar would answer for any Century.
